KLEENEX® Compact Hand Towels 4440 — White Folded Paper Towels (2,160 Towels per Case)

Toilet Paper Plus • January 17, 2026

Upgrade your washroom with KLEENEX® Compact Hand Towels 4440, a premium folded paper towel solution designed specifically for smaller washrooms and high-traffic commercial environments. Trusted worldwide, the KLEENEX® brand delivers a superior hand-drying experience while supporting high workplace hygiene standards.

Designed for Compact Washrooms & Efficient Use

KLEENEX® Compact Hand Towels are ideal for tight spaces, making them a practical choice for offices, healthcare facilities, hospitality venues, schools, and retail washrooms. The compact folded design allows for quick and easy refilling, helping reduce maintenance time and improve operational efficiency.

Hygienic One-at-a-Time Dispensing

When used with compatible dispensers, these folded paper towels dispense one sheet at a time, ensuring users only touch the towel they use. This promotes better hygiene standards while also helping to reduce waste and overuse, making them a cost-effective and environmentally responsible option.

Soft, Absorbent & Premium Feel

Each towel combines excellent absorbency with a soft texture, delivering a premium hand-drying experience that reflects positively on your washroom facilities. Despite their compact size, these towels are durable and reliable for everyday commercial use.

Australian Made & FSC® Certified

Proudly made in South Australia at the Millicent Mill, KLEENEX® 4440 Compact Hand Towels are manufactured using FSC® certified virgin fibre (FSC™ C101606), supporting responsible forestry and sustainable sourcing.
